IN SUMMARY

NO CHAIN. With a TENANT in RESIDENCE paying £675pcm, this FIRST FLOOR APARTMENT is a great ready to go INVESTMENT LET. The property has a lease with 88 years remaining and has some recent improvements which include a NEW CENTRAL HEATING BOILER, radiators, and shower in April 2022 - with the boiler benefiting from a remaining 10 year warranty! Stepping inside, the ENTRANCE HALL, built in storage cupboards and space for cloak and boot storage can be found. Doors then lead into the SHOWER ROOM which has a three piece suite including a thermostatically controlled shower. The property has HARD WEARING FLOOR COVERINGS for easy maintenance in almost all rooms with the bedroom featuring FITTED CARPET and a BUILT-IN WARDROBE with sliding doors. The GALLEY KITCHEN has space for appliances, with the SITTING ROOM including space for a small dining table and SOFT FURNISHINGS.

SETTING THE SCENE

Cotterall Court is tucked away and accessed of

Peverall Road within Clover Hill. As you turn off the main access road there is parking in the courtyard and hard-standing pathway leading to the front door. Once inside the hall, stairs lead to the main door.

THE GRAND TOUR

The entrance hall provides access to all rooms within this first floor apartment which has low maintenance floor coverings in almost all rooms. The hall has wood effect flooring and there is tiling in both the kitchen and shower room for ease when cleaning or when the property is returned to you after a successful letting. On your right is the double bedroom which has a built-in wardrobe with mirrored sliding doors which double the amount of light that comes in through the front facing window. Opposite this room is the shower room where you find a three piece suite with a thermostatically controlled shower set in a cubicle, low level W.C and a pedestal hand-wash basin. The kitchen and sitting room are located to the end of the apartment and could be opened up to create an open place space subject to getting relevant permissions from the freeholder. As it stands the kitchen has space for cooking appliances and white goods with the light provided through two windows facing to the rear. The sitting room is roomy yet cosy for nights and days spent on the sofa.
