Outside of the Property

To the Front

A well maintained tarmac driveway provides off-road parking with gated side access. The remaining front garden is laid to lawn that continues to the neighboring property.

To the Rear

The large rear garden can be accessed through the integral garage and side access that leads to the patio along the width of the property. A low-level retaining wall and steps give access to the remaining open garden with a mix of patio and lawn. Various shrubs and small hedges create segments of garden with a single pathway leading to the rear. Clear wooden fence boundaries on all sides.
