SETTING THE SCENE

As you turn onto St. Georges Drive from Stone Road in Toftwood, the property can be found on the right hand side behind a shrub border. There is a low maintenance garden which could be additional parking to the one space which is provided in front of the garage. A hard standing footpath leads to the main property.

THE GRAND TOUR

Passing through the uPVC double glazed front door into the entrance porch, you find a perfect space for coat and shoe storage and this room acts as another layer of insulation for the main property. Heading into the entrance hall with wood effect flooring, all rooms branch off the hallway except the conservatory which is just beyond the sitting room.

The kitchen has been replaced recently with wall and base level cabinets, integrated cooking appliances which include an oven and electric induction hob - both benefiting from an extractor fan over. There is room to one corner for a dining table, a door to the outside and a window facing front to watch the world go by. The three bedrooms are carpeted, with space for freestanding or built in wardrobes and they are positioned close to the family bathroom which has a three piece suite.

THE GREAT OUTDOORS

Non-overlooked rear gardens can be found to the rear which are laid to lawn with areas of flower-bedding and room for a vegetable patch to be added. Benefiting from the south sun, you can entertain all day on the patio and when needing to store everything away, the timber shed is close by which is on a concrete base. Timber panel fencing can be found at the boundary and there is access through a personnel door to the garage.
