"If you are after a property with lots of living space and large bedrooms then this is the property for you and exactly why we bought it! Having five double bedrooms was a bonus, we use the top floor as an office and guest bedroom but it would be a perfect area for teenagers with their own bedroom, bathroom and lounge. The garden is really secluded and low maintenance but also perfect if you like eating out in the sun during the warmer months when you get home from work. There are some lovely walks around here and a shortcut to the local shop and schools only takes a few minutes on foot".
