Description

Sugar House Island fuses the best of original East London with the delights of the City, forging a new canal-side neighbourhood. A place of opportunity, a place to live, create and flourish.

Our award-winning vision will bring together a growing community of 6,000 people to live, work and forge a better quality of life amongst the waterways of East London. Dane's Yard is the first chapter of the Island.

Original warehouses rub shoulders with contemporary architecture in a unique space carefully designed for creatives.

Welcome to Dane's Yard, the creative quarter and first chapter of Sugar House Island. This former industrial corner has been beautifully reimagined into a stirring hub just a stone's throw from Stratford.

Dane's Yard is now a home for creative and transformative organisations – an eclectic, canal-side quarter with a mix of bright, characterful workspaces and outdoor spots.

A place with a social heart that reinvigorates when work stops. Every corner reveals a hive of activity; tight alleys, roof terraces and a carefully crafted courtyard lets conversation, creativity and collaboration flow.

Once an historic industrial hotspot, Dane's Yard is again a place for innovating and collaborating together. Here, it's not business to business, it's neighbour to neighbour.
