A Rare Opportunity to Acquire a Historic and Prominent Commercial Premises Close to the Jewellery Quarter & Birmingham City Centre

DESCRIPTION

Built as the “Quality Works” for John Goode and Sons Jewellers, the building was a Jewellery Shop and Showroom, the building has recently been externally fully restored with new Heritage Shopfronts and a Garden Room extension to the rear with views into an exclusive courtyard.

The premises occupy a prominent position being arranged over ground and basement levels with substantial frontage and impressive entrance off Great Hampton Street.

The property provides a predominately open plan ground floor, with the central entrance opening into a welcoming reception. The space has been extended to the rear and provides an opportunity for a conservatory/garden roof with extensive bi-folding doors opening into a large, fenced Courtyard of around 2,000 ft² to the rear, and overlooked by the unit, this being suitable for a range of uses including a customer garden.

The property has been soft stripped allowing for any new tenant or purchaser to carry out their own personalised fit out and make use of the character this property has to offer.

The development further benefits from a Street Licence and allows for outside seating to the front of the property.

LOCATION

The property occupies a prominent roadside position with substantial frontages to both Great Hampton Street and Great Hampton Row just outside of Birmingham City Centre and within Close Proximity to St Pauls Square and Birmingham's historic Jewellery Quarter.

The location allows for convenient access to Snow Hill Train Station is just a seven-minute walk, while Birmingham New Street is a short 15-minute walk.

As well as being within walking distance of the city's major public transport routes, the main Aston expressway is just one mile east of the property, allowing easy access to Junction 6 of the M6 Motorway at Spaghetti Junction.

The street is due to be narrowed down and the junction is anticipated to be changing to "Hampton Square" according to the Birmingham City Plan. The Gothic is a key property development on the edge of the historic Jewellery Quarter and will spearhead the future regeneration of the wider Great Hampton Street area.
