## Description:

We are pleased to bring to the market this 2 bedroom top floor apartment with roof terrace (of approximately 1000sqft) located on the banks of the River Thames in Staines upon Thames.

The apartment itself covers 834 square feet with a superb sized lounge offering views of the River, newly fitted kitchen, 2 double bedrooms and a large bathroom including separate shower. There is allocated parking and an electric car charging point. The property is presented in very good order and is available immediately.

Staines upon Thames town centre is just the other side of the bridge with its comprehensive shopping centre, bars, restaurants and cafes. The main line station serving London has services ranging from 35 to 42 minutes depending on the time of day.

Unrestricted views of the River from the apartment and the quiet cul-de-sac location make this property an appealing home and will generate a lot of interest so early viewing is strongly suggested to avoid disappointment.
