

Site Plan
1 : 500

On-street parking location as per discussions in pre-application advice. This is expected not to exceed what would have been the parking situation when the pub was operating.

It also does not impede on parking arrangements for neighbouring rear property and traffic along the main road.

Roof Plan_Existing
1 : 100

No new works planned for the roof

Notes

No part of these drawings may be reproduced or distributed without the written permission of the copyright owner. No part may be passed to a third party without license or written consent. There is no liability or responsibility on the copyright owner whatsoever for unauthorised or unlicensed use of or any reliance placed upon these drawings or designs. Do not scale this drawing. Figured dimensions or site measurements should be used instead. Contractor should check all dimensions before any commencement of works. The contractor is responsible to report any inconsistencies in drawings and seek further clarification and instructions from the architect before proceeding.

Any discrepancies should be verified with the architect. All drawings are to be read in conjunction with relevant specifications, structural and service engineer's drawings. This drawing is not suitable as a construction drawing and on no account should be used as such.
