The focal point of the village is the impressive Hanslope Spire of St James the Great which can be seen from miles around. The Church is a Grade 1 Listed Building and holds an annual open day where visitors are able to climb the tower and enjoy the wonderful views over the Buckinghamshire and South Northamptonshire countryside.

Hanslope village is located on the border of Buckinghamshire and is well situated for commuting with easy access to Milton Keynes and Northampton town centre, the M1 motorway, and trains from nearby Wolverton Railway Station are direct to London Euston. Amenities within Hanslope village are wide-ranging and include two popular local public houses, a general store, and traditional butchers. The village also has a GP surgery with dispensary, and Hanslope Primary School boasts an Ofsted rating of 'Outstanding'.

For those inspired by the outdoors, Hanslope offers a wealth of opportunities to get back to nature and stay healthy. The River Tove runs along the bottom of the valley to the south of Hanslope and flows into the Ouse, just North of Old Wolverton. There are numerous country parks and estates nearby to explore together with the stunning Salcey Forest – a former medieval hunting ground offering endless walking and cycling trails with 600-year-old oak trees and a cosy café for refreshments.
