80 Goswell Road EC1

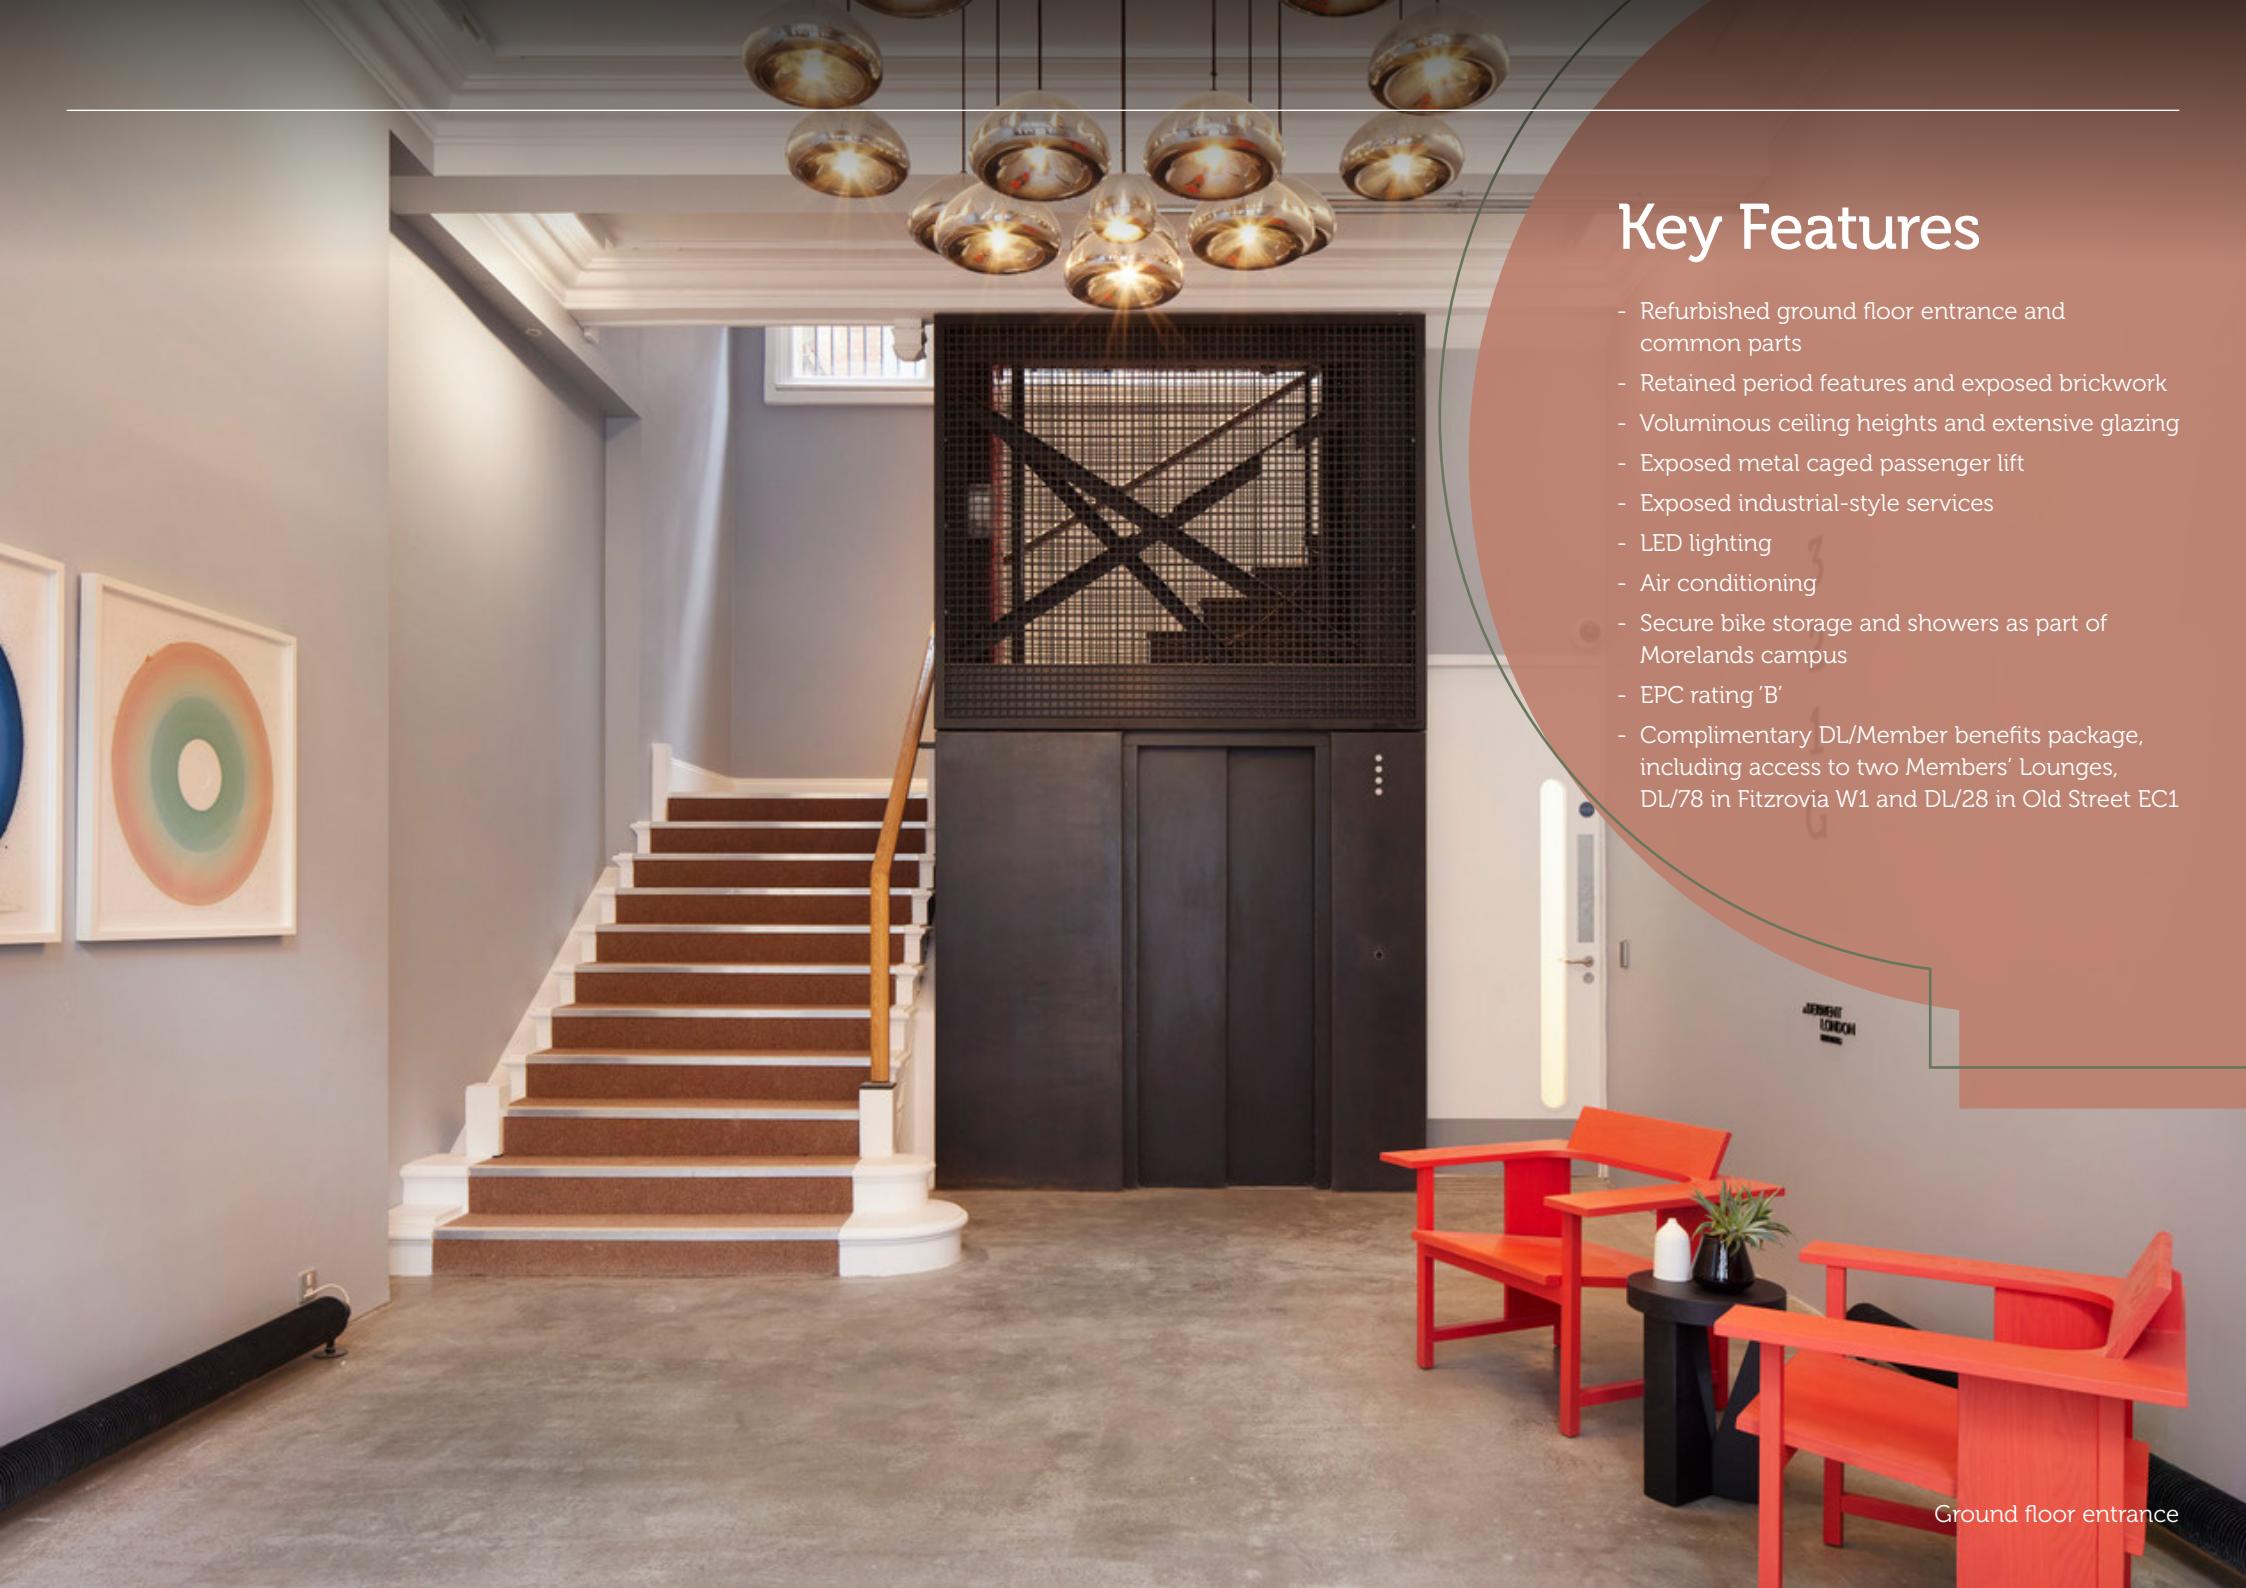

at morelands

Reimagined by award-winning architects AHMM, 80 Goswell Road offers prime workspace in Clerkenwell's central and well-connected neighbourhood.

Bright and thoughtfully designed, the building provides private fully-fitted Furnished + Flexible offices across the first and third floors.

The building features as part of the Morelands campus. Once home to textile merchants, watchmakers, silversmiths and printers, this prominent cluster of industrial warehouses is now a thriving home for contemporary creative businesses.

A photograph of a modern office lobby. On the left, a wooden staircase with white railings leads up. In the center, a black cage lift is visible, featuring a large metal mesh door. Above the lift, several modern pendant lights are suspended from the ceiling. To the right, a seating area is arranged with two bright orange armchairs and a small black side table holding a potted plant and a candle. The floor is a light-colored polished concrete. On the far left wall, there are two framed abstract artworks. A large orange circle is overlaid on the right side of the image, containing the text 'Key Features' and a bulleted list of features.
