APPROACH

The beautiful hamlet of Yettington is located just inland of the East Devon Jurassic coast, a short distance from Budleigh Salterton and Bicton Park. Number 1 Shortlands is set back off the road with a delightful front garden set behind a hedge to the front and a small white fence to the side with ample parking beside.

RECEPTION HALL

As part of the renovations the entrance hall has been extended to provide built-in coat and shoe storage. The central wooden door with oval glass panel sits between two side windows with a triangular fan light window above. Upon entry you have a taste of what is to come as solid oak flooring leads you into the property.

SITTING ROOM 5.15m by 4.58m

Around to the right is the magnificent sitting room with a large window to the front. A grand set of sliding patio doors that span the entire wall creates a beautiful south facing picture window across the rear garden and makes this room incredibly light and airy.

HALLWAY

Even the central hallway has been considered with white wooden panelling and solid wood balusters rails on the stairs reaching up to the ceiling. Below the stairs is located a discrete cloakroom with W.C and hand basin, and as with every element of this house even the radiators have been hidden away behind white covers with solid wooden tops.

UTILITY & SHOWER ROOM

The spacious utility room has been fitted with grey 'Shaker' style wall and base units with a beautiful solid quartz work top with inset double sink. To the sides are built in larder shelving units. Behind again is a central shower room with a large shower cubicle and vanity hand basin.

OPEN PLANNED KITCHEN / DINING ROOM 4.86m by 4.37m (Dining Room 5.15m by 3.19m)

Across the hall and the dining room opens out to reveal a magnificent open space. The room doubles as the office with units and shelving built into the chimney sides but still commands ample space for the dining table and chairs. It's as you pass around that you see the magnificent newly extended kitchen. This is a 'kitchen designers' kitchen, and therefore nothing has been skipped on. A bank of wall units hosts a pair of ovens along with integrated fridge and freezer. The central grey island is filled with deep pan drawers with a magnificent quart worktop and inset ceramic hob. And all of this is set in front of a panoramic picture window with commanding views across the rear garden and right out across the open countryside. Undoubtedly it is the magnificent bi-fold doors that captivate as they open back to reveal a palatial covered deck that takes in the surrounding vistas.

BEDROOM FOUR 3.19m by 2.33m

First off the landing is bedroom four, a spacious double room that commands the magnificent southerly views. Noteworthy again is to the attention to detail with all the doors, door frames and architraves throughout the house are finished in hard wood.

BEDROOM TWO 5.18m by 2.74

Next along is bedroom two with built-in storage cupboards and a pair of windows looking out over the front of the property.

BEDROOM THREE 3.97m by 3.25m

Bedroom three is another spacious double room with front facing window.

FAMILY BATHROOM 3.48m by 1.93m

The family bathroom is another beautiful room with a white oval ceramic counter top sink set upon a quartz shelf that runs around the room. A white Jacuzzi bath sits to the far end with a grey vanity unit beside.

BEDROOM ONE 4.54m by 3.14m

This is a lovely spacious room with a large horizontal window that frames the open countryside beyond.

REAR GARDEN

The garden has been tastefully designed and planted and without doubt is a thing of beauty. Leading out from both the kitchen and the lounge is a large covered decked area which extends past the property to create elevated seating. A set of steps lead down to central decked walkway. To the left a manicured lawn is edged with deep beds filled with flowering plants and bushes, and to the right hidden amongst the mature foliage is a magnificent summer house and accompanying storage shed. Where the path ends the garden beyond has been rented from the local farmer for a nominal fee. The garden here continues with its elegance with a further secluded seating area set amongst wooden raised beds and olive trees. The lawn continues down to a second shed
