This fantastic family home is nestled within a popular residential estate located just a short distance from Disley's vibrant shops, cafe's, pubs and commuter links, as well as having the well regarded Disley primary school within walking distance. This particular property is of unique design, having a gentle split level interior to give the most impressive living spaces to the lower floor and making the most of the beautiful views it enjoys to the rear, which gives rooftop views initially, but also looks towards the Peak Districts breath taking hillside scenery. The property is offered for sale with no onward chain for ease of purchase and provides well proportioned and versatile accommodation, as well as a block paved driveway, front and rear gardens and integral garage (which could be incorporated as further living space with the relevant permission acquired).

In brief, the accommodation comprises: Large uPVC entrance porch having ample storage space for boots/cloaks, welcoming entrance hallway which showcases the split level stair case and gives access to the integral garage and the ground floor W/C. Taking the stairs to the lower ground floor gives access to the open plan and generously sized dining area, which is laid out in an 'L Shape' and opens up into the sitting room with large uPVC sliding doors to the rear garden and decked area. The living areas are particularly bright and have been fitted with hard wearing and attractive shelving and Quick Step Varnished Cherry flooring, which continues into the dining kitchen. The fitted kitchen offers ample space again with an array of wooden wall and base level units and having some integrated appliances, all overlooking the rear garden. The first floor reveals four bedrooms, all of which being of good size and with the master bedroom having a range of mirror fronted bedroom furniture, the bedrooms on this floor are serviced by the fully tiled bathroom having a bath with shower over. Ascending a further half staircase is the versatile loft room, which is currently used and presented as a 'walk in wardrobe', but would lend itself to becoming a further occasional bedroom or work from home office space. Externally, there is a wide block paved driveway to the front which gives access to the integral garage and provides off road parking. There are gardens to both the front and rear, with the rear having a cleverly located raised and enclosed decked area just off the sitting room, with a further two tiers, one being laid to lawn and a further extremely private flagged patio to the bottom.

This magnificent home is warmed by gas central heating which is complimented further by double glazing throughout and an early inspection should be arranged to avoid disappointment. It is worth mentioning that although the property sits well within the estate, there is a highly convenient pathway to the side of the property which gives direct access to Disley High Street.
