**DRAWINGS TO FURTHER ENLARGE THE EXISTING PROPERTY**

*Upon entering the spacious hallway of this property your eye is immediately drawn to the view of the glorious south facing rear garden extending to approximately 130ft. In recent years the property has been the subject of extensive refurbishment with great thought and detail given to the layout offering great flexibility in the arrangement of the accommodation providing a home that flows effortlessly from one reception room to another. Due to plans to further enlarge the property the current owners have left a couple of the first-floor rooms untouched.*

*Old Nazeing Road offers an idyllic location offering the best of both worlds, with green belt countryside and the Lea Valley Park literally on the door step, and yet within a ten minute walk you are at Broxbourne British Rail Station offering a frequent service to London and Cambridge, major road networks are also easily accessible. Highly regarded schools for most grades are within the vicinity.*
