DESCRIPTION:

This small development of just 3 apartments was completed in late 2022 by a reputable local developer and has been finished to an exceptionally high standard. They are to be sold for the first time with the remnant of a 10-year build zone warranty. The apartments have most recently been let by the vendor as lucrative holiday lets and the selling agents are happy to share the income figures with interested purchasers. The properties are to be sold furnished or unfurnished, dependent on the level of the offer.

This ground floor apartment offers spacious, bright and well-presented accommodation including a private terrace and direct beach access with spectacular views across the Solent towards Nab Tower and the Isle of Wight, and on a clear day Portsmouth can be seen to the west. The apartment offers well-proportioned accommodation briefly summarised as follows:

The entrance hall provides access to all the accommodation. The hall has two large cupboards, one of which is used as the utility space with the other being useful storage space. The Master suite has a walk-in dressing room and ensuite including a walk-in shower, WC and wash hand basin. The second double bedroom is of a similar size to the Master and this bedroom, together with the single/study, are serviced by a family bathroom with bath, WC and wash hand basin.

The kitchen/living area offers spectacular far reaching sea views and also leads onto the private terrace. The kitchen has been designed and fitted by renowned local kitchen designers, Sylvarna, and provides a fabulous space for cooking, entertaining and relaxing.

The private terrace has ample space for outside dining and there is a communal garden which is mostly laid to lawn with direct beach access. There is a gravel driveway with allocated off-street parking for several cars, car charging point and a timber-built bike, bin and board store.

LOCATION:

Bracklesham Bay is a popular coastal village on the outskirts of East Wittering, and just 3 miles from West Wittering. East Wittering provides a good range of local shops as well as a junior school, doctor's surgery and chemist. West Wittering, famous for its sandy Blue Flag beaches close to the mouth of Chichester Harbour and the National Trust Reserve at East Head, also offers a small range of local shops and a public house. The award-winning coastline of the Witterings provides many opportunities for swimming, windsurfing and kite surfing.

Whilst sailing is the predominant pastime in the area, there is a wide choice of other recreational activities in Chichester, some 7 miles to the north. The cathedral city offers excellent high-street shopping, many fashionable restaurants, cafes and bars, a leisure centre with swimming pool, sports clubs, cinemas, and is home to the Pallant House Gallery and the renowned Festival Theatre. Chichester also has a railway station with regular services to London Victoria, and along the coast to Portsmouth and Brighton.

The nearby Goodwood Estate is famous for its many sporting event days including the much-celebrated Festival of Speed and Goodwood Revival for motor racing enthusiasts, and a season of horseracing including the Glorious Goodwood Festival.
