## INTRODUCTION

West Logan Farm is conveniently located within the stunning Stewartry area of Dumfries and Galloway. The Farm lies approximately 3 miles east of Castle Douglas in an attractive rural location offering privacy and seclusion, yet well within easy reach of major commuting links. West Logan farm occupies an elevated site with far reaching views over open countryside.

West Logan is a highly productive residential stock rearing farm benefitting from a traditional dwelling house and an exceptional modern farm steading. The dwelling house provides comfortable four bedroomed accommodation with garden grounds & feature pond to the front and hardstanding parking for several vehicles to the rear. The steading benefits from a range of modern farm buildings, which are described later on within these sales particulars.

The land lies within a ring fence in 24 specific field enclosures, which include 5 areas of shelter belt woodland. A hardcore farm track along with direct road frontage, gives easy access to the farmland. Up until recently the farm was utilised for pedigree livestock and in the last 3 years the grass has been let on a seasonal basis due to a change in farming policy.

This area of Southwest Scotland enjoys one of the most varied and picturesque landscapes within Scotland, ranging from the moorland of the Southern Upland Hills to the bays and sandy beaches of the distinctive coastline. This is a rural county where agriculture and tourism thrive to form the backbone of the local economy and where the area has been relatively unscathed by modern industry.

A full range of local services are available at Castle Douglas (The Food Town), which forms the heart of the Stewartry area and offers all essential services with a comprehensive range of leisure facilities, a modern health service, wide range of professional services as well as two national supermarkets. The high street is renowned for its niche retailing with a wide range of traditional shops and craft outlets.

The region is well-known for the quality and variety of both field sports and leisure activities with the outdoor and sporting enthusiast extremely well-catered for as there exist the ability to take both shooting and fishing locally. Given the diverse landscape along with the proximity to the coast and local lochs, the area offers unique walks, sailing, cycling and for the golfer there is an abundance of good local courses with the region boasting no fewer than twenty-nine 18 hole courses, the closest being at Kirkcudbright. The Solway Firth is a popular yachting destination and Scotland's only 'Blue Flag' marina is located adjacent to Kirkcudbright Harbour.
