How do you write an intro that does a property justice? I'm not sure with Dendron Lodge I can or even if I did would I have enough space.

Situated in an elevated position in the small but perfectly formed hamlet of Dendron this former primary school offers spectacular views, just one of the things that will blow you away when you arrive. The plot is a perfect size with ample parking, detached garage with hobby room, outbuilding storage, and several seating areas at the rear allowing you to enjoy both the rolling countryside as well as glimpses of Morecambe Bay. Laid out over three/two and a half floors, it will make sense when you see it - this home exudes flexible living and all of the family spaces allow access to the grounds and pretty much from every room you can either see the garden or the views. Bright and airy with plenty of space but not domineering it's the epitome of thoughtful and well-balanced design – a credit to the current owners.

Comprising of lounge, kitchen/diner/family room, utility, cloakroom/WC, study, dining room, porch, family bathroom, master bedroom with en-suite, mezzanine landing which is currently used as a study, two further bedrooms with one offering the ability to be split to create three separate bedrooms as well as one with its own mezzanine area. A stunning home in a fantastic location that will only be truly appreciated when viewed.

DIRECTIONS

From our office head north on Market Street with the Farmers Arms facing you at the top of the street. Turn left onto Queen Street and at the traffic lights turn right onto the A590. Continue past Aldi, Marks & Spencers and through Swarthmoor, over the roundabout before taking your next left signposted Great Urswick. Continue through the villages of Great Urswick and Little Urswick leaving them on Church Road. At the 'T' Junction signposted Scales/Baycliffe to the left and Stainton/Dalton to the right turn right and then immediately left heading towards Gleaston. Continue through Gleaston heading up the hill and at the War memorial taking a sharp turn on your right called Greystones Lane. Dendron Lodge is found just up here on the right hand side.
