## Jones Homes, building quality homes

A quintessential village that provides the perfect haven for those seeking life in an idyllic countryside setting, yet with a profusion of amenities close by.

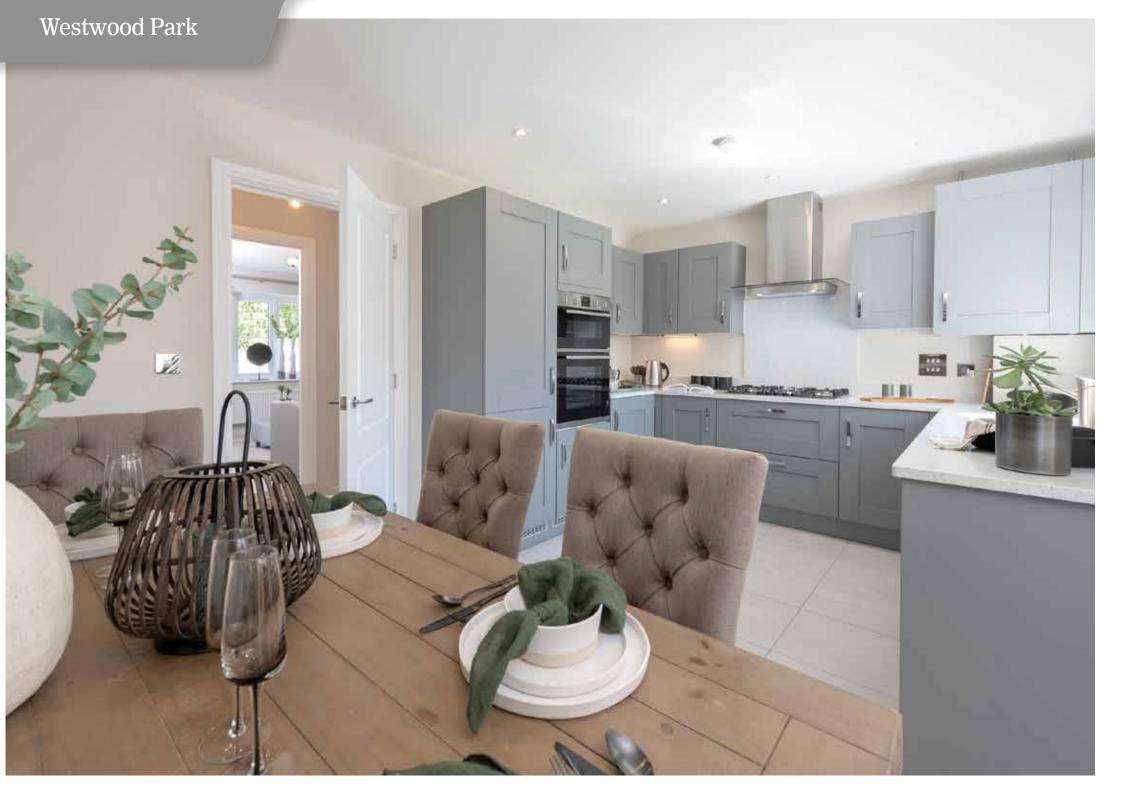

A favourite location for filmmakers this 'perfect village' presents itself with an array of quaint streets and pretty squares, that are synonymous with the character and charm of a traditional village setting. Located on the edge of the beautiful North Downs, the historical village of Lenham poses a typical village lifestyle from the cosy pubs and restaurants to the local shops and community centre.

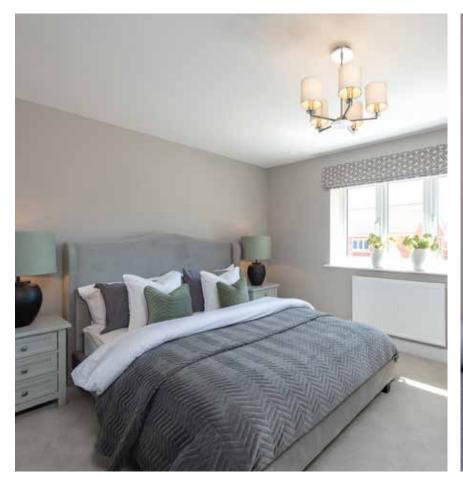

Ashford and Maidstone are 10 miles away and offer excellent bars, cafés and entertainment venues. For those looking for some retail therapy boutiques, high street shops and shopping centres are plentiful.

Just 4 miles away is Leeds Castle, the 'loveliest castle in the world' where you can take a stroll around the beautiful gardens, cycle along the many scenic

routes or just simply take in the stunning scenery. There is lots on offer for outdoor enthusiasts, from fishing and sailing and leisurely walks along the River Great Stour to treks across the North Downs, Lenham offers plenty of opportunity for adventure.

For families there are excellent schools close by and for the commuter the A20 is a short drive away. Lenham train station has direct links to a variety of destinations including London Victoria which can be reached in just over 1 hour, and Ashford International rail station is close by, with the international airports of London City and Gatwick under 40 miles away, Westwood Park really does give you the best of both worlds.

# Buying a Jones home is easier than you think

It's time to take a closer look at Westwood Park. Just call 01622 858390 to book an appointment to view or visit jones-homes.co.uk for more information. Once you've decided which house is perfect for you, you're ready to buy your new home.

- Reserve your new home
  As soon as you complete a reservation
  form and pay the reservation fee, we will
  take your new home off the market. This
  secures your property for a fixed period of
  time.
- Apply for a mortgage

  An independent financial advisor can help you decide which mortgage is right for you. It is important to do this as soon as possible and we will be happy to assist with this.
- Appoint a solicitor

  Your solicitor will handle the legal side of your house purchase, managing everything from Local Authority searches, exchange of contracts and legal completion. Ask family and friends for a recommendation or speak to one of our sales advisors.

- Personalise your new home

  By choosing from a wide variety of kitchen units and wall tiles, together with a range of optional extras you may wish to purchase and incorporate. (Subject to build stage).
- Exchange and complete
  Your solicitor will advise you once all necessary searches and enquiries have been made and your contract is ready for your signature prior to exchange. When you exchange, you will pay the agreed deposit and then we're all legally bound to complete the sale. Following build completion you will be required, prior to legal completion of the transaction, to transfer the balance of the monies to us.
  - Move in

    Following legal completion you can collect your keys from the sales advisor and site manager who will accompany you to your new home.
