## Area Information

Watford Town Centre is transforming, with the redevelopment of the Intu shopping centre creating extra retail space, large Cineworld Imax cinema, leisure complex and a vibrant new restaurant hub.

The area is surrounded by some beautiful countryside with many locations to enjoy walking and cycling. There is also a variety of other leisure facilities including golf, football, tennis and cricket. There are many leisure and health clubs close by providing swimming and sports facilities and Watford is home to one of England's most luxurious golf courses at The Grove, Chandlers Cross.

Watford has reasonably low levels of unemployment and relatively high resident earnings. The business climate is developing, and the business start up rate is high in the area. Significant investment in the area has contributed to greater employment and this will continue to be the case as the re-development of the town centre reaches completion, creating further employment opportunities.
