An established semi-detached house in a very popular village setting that has been extended to the ground and first floor though offers, in our opinion, potential for further extension or the creation of an attic suite (subject to all necessary permissions) as others in the same lane have done. A key feature of the house is its exceptional plot (over 1/10th of an acre) that includes a rear garden extending to almost 130 ft/39m. Epping Green is a very popular village with a well-regarded Primary School and, lying between 3 and 4 miles from Epping and its Central Line station, is also conveniently placed for access to a number of other towns and transport links.
