A DETACHED CHALET STYLE HOUSE which offers spacious and very flexible accommodation situated about three quarters of a mile from Bookham high street which offers a comprehensive range of local shops and also within walking distance of Bookham main line station which provides regular service into Central London (Waterloo/Victoria). The accommodation is orientated with the principle rooms enjoying a delightful outlook over the secluded garden. In addition there are two double bedrooms and shower room on the ground floor which could be utilised with the utility room as an annexe, if desired, whilst on the first floor are two further generous sized bedrooms and shower room. The property benefits further from UPVC facias, bargeboards and sealed unit double glazed windows and doors and gas central heating to radiators with a new boiler installed 2021. In our opinion the property would be ideal for multi-generational family living or for those wishing to downsize and an internal inspection is highly recommended.
