An excellent opportunity for prospective purchasers who require land/workspace adjacent to their property. This substantial garden fronted end terrace house which provides spacious living accommodation and enjoys a plot of land to the side which could accommodate several vehicles (good access with double gates). In addition, the land would make suitable building plots subject to the usual permissions. This is an ideal property to work from home and to purchasers who require additional parking or storage space. The living accommodation has three bedrooms, a three piece bathroom, two reception rooms and a separate fully fitted kitchen. Gas central heating and PVC double glazing are both installed.
