Description Heathcroft is a spacious family home with an instant welcoming and homely feel. It occupies a generous corner plot on this sought after and quiet residential road just outside the centre of Grange over Sands. Built circa early 20th century this grand, attractive property is built of solid construction under a slate roof with well proportioned rooms and a very distinctive and very attractive staircase with art-deco style is one of the finer features to be found inside. Although currently perfectly serviceable and enjoying largely neutral décor throughout the new owner may wish to update certain areas or perhaps even extend the upstairs (subject to the relevant planning consents) - depending on your needs. There are pleasing garden views from almost every window and the property enjoys a high level of privacy due to the perfect accompaniment to this property which is the generous, well kept, mature garden which surround the property.

The main door opens into the enclosed porch (ideal for muddy boots)..... The main door opens into the spacious and inviting Hallway with wood effect laminate flooring, useful under stairs storage cupboard and most attractive 'art-deco' style stair case. A Cloakroom is always a plus on the Ground Floor with a WC and wash hand basin. The Lounge has a dual aspect with a lovely bay window with window seat which enjoys calming views into the Garden and a side window. The focal point is the living flame gas fire with ornate cream surround. The Kitchen is spacious with pleasing outlook into the Garden and is fitted with a range of cream wall and base cabinets with integrated electric oven, gas hob, fridge and 1½ bowl stainless steel sink unit. There is a large walk in pantry and door to the Integral Garage. The Rear Porch (with external door) has access to the Store and separate Utility Room which has space for additional freezers if required, tumble drier and plumbing for automatic washing machine. From the Kitchen a door leads into the formal Dining Room with bay window enjoying the garden view and double doors into the Conservatory. The Conservatory is a lovely additional, extremely peaceful and relaxing and is not overlooked - pretty views into the lovely gardens from every angle!

From the Hallway the wide, shallow stairs with striking art deco style balustrading lead up to the landing (with large side window) and provided access to 3 Bedrooms and the Bathroom. The Bathroom is spacious and tiled with a 5 piece white suite comprising bidet, low flush WC, wash hand basin, shower enclosure and bath. Airing cupboard and further built in cupboard. Two of the Bedrooms are very generous doubles with delightful outlooks over the garden (one has a range of built in furniture and the other a shower), the 3rd Bedroom is a good-sized Single Room or perfect office space.

The Integral Garage has an electronically operated up and over door, power, light and wall mounted gas central heating boiler. The Gardens to this property are a real credit to the past owners. This type of garden will appeal to families who love to entertain, the very keenest of gardeners and the most adventurous of children - literally the perfect outdoor space for this property. The Gardens surround the property and they are a real mix of lawn, sunny patio, well established and beautifully cared for beds and borders with a excellent variety of plants, shrubs and trees which provide a profusion of colour throughout the year. Just by the conservatory there is a wonderful pond with wrought iron railings around - reminiscent of a miniature city park - for the rest I would highly recommend you take a look for yourselves. There is private off road parking for one car (definitely scope to make more) and of course
