Overview

This one bedroom apartment has been finished to a high specification including Hans Grohe fittings in the shower room. Positioned just off Covent Garden's world-famous Piazza on the first floor of a charming period building, the apartment has an open plan kitchen and reception room, large double bedroom with excellent built in storage. Forming part of the Covent Garden Estate, residents benefit from quality and well-considered design, from finishes to furnishing, all backed-up by a team of dedicated property managers, support staff and the estate security and facilities teams. Every building is cleaned and maintained to the highest possible standards, ensuring residential tenants get the best possible living experience from their central London home.

While much of Central London is easily accessible on foot, including the vibrant nightlife and food scene of Soho, Mayfair, St James's, the Southbank and Fitzrovia, there are several transport options within reach. Buses operate nearby from the Strand, while mainline train services to London Bridge can be reached via Charing Cross that also connects to the underground network (Northern and Bakerloo Lines). Covent Garden Underground Station (Piccadilly Line) is also a short walk away.

The apartment is available end of May on a furnished basis. Westminster Council tax band: E.

People Make Places

London is a collection of inspiring urban villages and one of the most exciting places in the world to live, work & play.

We work with both property owners and their occupiers, sharing the story of these vibrant neighbourhoods, conveying the unique soul & energy to future custodians, the people who'll keep them buzzing.

And unlike many real estate businesses we're not just about buildings, because streets & buildings don't make a neighbourhood.

We're about building relationships, because **people make places**.
