Guide Price

Bampton is a thriving, popular village and this deceptively light and spacious characterful family home is close to the centre. The sitting room offers exposed beams, a fireplace with log burning stove and display alcove and flows to the study whilst the spacious eat-in kitchen/breakfast room is fitted with a wide range of cottage style units and Butler sink. The utility room plus cloakroom complete the super ground floor picture.

To the first floor there are three bedrooms, one enjoying an ensuite plus dressing area and all well served by the principal bathroom.

Externally, this pavement terrace property has a garage which is a great attribute and a courtyard garden sits directly to the rear with an offset generous garden that affords a good degree of privacy. Laid mainly to lawn the garden enjoys a variety of plants and shrubs and is a delightful spot for alfresco dining/entertaining.
