## REAR GARDEN – APPROXIMATELY 35' DEEP X 45' WIDE

Laid primarily to lawn with patio and decked areas. Outside lighting, water and power point can also be found. With brick raised pond along with two raised vegetable planters, two timber sheds on a concrete base, further children's Wendy house with rainwater harvester beneath and hose attached, private drainage system, oil tank and boiler, all retained by close boarded fencing and hedging with far reaching countryside views to rear.

## THE LOCATION

Brick House Villas are located just 7 miles approx. from Chelmsford City with a nearby bus stop supplying access into the very centre. Chelmsford offers main line rail services into Central London, Chelmsford Grammar Schools, New Hall School and a wealth of shops and restaurants including John Lewis. Primary schools can also be found in Leaden Roding and Roxwell. Brick House Villas really offers the best of both worlds, access to bustling city centre and an abundance of open countryside, bridle paths and countryside walks.

GROUND FLOOR  
755 sq.ft. (70.1 sq.m.) approx.

1ST FLOOR  
501 sq.ft. (46.5 sq.m.) approx.

2ND FLOOR  
422 sq.ft. (39.2 sq.m.) approx.

TOTAL FLOOR AREA : 1678 sq.ft. (155.8 sq.m.) approx.

Whilst every attempt has been made to ensure the accuracy of the floorplan contained here, measurements of doors, windows, rooms and any other items are approximate and no responsibility is taken for any error, omission or mis-statement. This plan is for illustrative purposes only and should be used as such by any prospective purchaser. The services, systems and appliances shown have not been tested and no guarantee as to their operability or efficiency can be given.

VIEWING

Strictly by appointment with the selling agent Pestell & Co. If there are any points which are of importance to you, we invite you to discuss them with us prior to you travelling to the property.

DIRECTIONS

OFFICE OPENING TIMES

**6 days a week.** Monday to Friday 9.00am to 6.00pm, Saturday's 9.00am to 5.00pm.

IMPORTANT NOTICE

**AGENTS NOTE:** The information given in these particulars is intended to help you decide whether you wish to view this property and to avoid wasting your time in viewing unsuitable properties. We have tried to make sure that these particulars are accurate, but to a large extent we have to rely on what the seller tells us about the property. We do not check every single piece of information ourselves as the cost of doing so would be prohibitive and we do not wish to unnecessarily add to the cost of moving house. In accordance with the misrepresentation act, we are required to inform both potential vendors and purchasers, that from time to time both vendors and or purchasers, may be known by our staff, by way of previous customers, friends, neighbours, relatives, etc.

Once you find the property you want to buy, you will need to carry out more investigations into the property than it is practical or reasonable for an estate agent to do when preparing sales particulars. For example, we have not carried out any kind of survey of the property to look for structural defects and would advise any homebuyer to obtain a surveyor's report before exchanging contracts. If you do not have your own surveyor, we would be pleased to recommend one. We have not checked whether any equipment in the property (such as central heating) is in working order and would advise homebuyers to check this. You should also instruct a solicitor to investigate all legal matters relating to the property (e.g. title, planning permission etc.), as these are specialist matters in which estate agents are not qualified. Your solicitor will also agree with the seller what items (e.g. carpets, curtains etc.) will be included in the sale.
