

FURLONG HEIGHTS

LAVENDON

RURAL ELEGANCE

Be part of this idyllic village and enjoy everything that the rural parish of Lavendon has to offer. Furlong Heights, an exclusive 14 property development by Brampton Valley Homes, offers modern, high end living in the heart of this rural community. Lavendon is an historic village in the Middle England county

of Buckinghamshire with its roots dating back to 1100AD. Today, the village has a combined school for children from reception to year 6, as well as a village store and Post Office, an independent garage, village hall and two public houses.

VILLAGE LIFE WITH BEAUTIFUL SURROUNDINGS

With a primary school, boasting an Ofsted rating of outstanding, only a few minutes' walk away, a village playing field and community centre, as well as excellent original country pubs, Lavendon is a truly beautiful village. Having a community that's grown together, this stunning, sought after location is perfectly situated for commuting to nearby Bedford, Northampton and Milton Keynes.

When you have some down time, why not take a walk around the picturesque village centre then venture off into the countryside to explore one of more than 40 rural walks and bike rides. You could even enjoy a relaxing paddle

in the nearby River Great Ouse as it wends its way through the fields. The Glebe is perfectly located in a tranquil setting on the edge of the village, giving you easy access to the English countryside and all it has to offer.

If the bustle of a lively city centre is more you, Lavendon is the perfect base for enjoying Milton Keynes. Just 13 miles away, buses run regularly during the week, as well as throughout the weekend. So, it's easy to get out and enjoy everything that Milton Keynes has to offer, before retreating back to your blissful village home at the end of the day.

THE BEST OF BOTH WORLDS

Furlong Heights is surrounded by some of the region's most spectacular countryside and, with Milton Keynes, Bedford and Northampton so close by, you'll be able to enjoy the best of both worlds. Why not visit Bletchley Park, previously the top secret home of WW2 codebreakers? You could head to Milton Keynes, to take in the extensive shopping, restaurants, cinemas and of course the UK's largest indoor real snow slope, Xscape.

At the end of your day, you could head across to the famous MK Bowl to watch your favourite band grace the stage. They'll be following in the footsteps of some timeless global artists, including David Bowie, Green Day, Oasis, Michael Jackson and AC/DC.

The wider area is blessed with some wonderful theatres and music venues, such as Milton Keynes Theatre, The Deco, The Royal and Derngate and the delightfully intimate Stables Theatre.

The village of Lavendon is nestled almost on the edge of the market town of Olney, with the expansive Emberton Country Park just a 15min bike ride from the village centre. Activities here include sailing, kayaking, fishing and camping. There is even the Olney Outdoor Swimming Pool much favoured locally, which is part of the river and easily accessible.
