IN SUMMARY

This TRADITIONAL FURNISHED mid-TERRACE home occupies a SOUGHT AFTER GOLDEN TRIANGLE POSITION, with well kept accommodation which extends close to 1200 Sq. ft (stms). With a GARAGE to rear and a NON-BISECTED low maintenance GARDEN, the property is well presented and ready to move in. With gas fired CENTRAL HEATING and double glazing installed, the layout includes a HALL ENTRANCE with stripped wood flooring, BAY FRONTED 12' sitting room and open plan DINING ROOM. The KITCHEN and BREAKFAST ROOM are both open plan with ample space for a table, and a range of cupboards built-in. Upstairs, THREE DOUBLE BEDROOMS lead off the landing, with an EN SUITE cloakroom and modernised family bathroom.

SETTING THE SCENE

A low level brick wall encloses the paved courtyard frontage, with a tiled pathway leading to the main entrance. Access to the rear leads to the garage parking.

THE GRAND TOUR

Heading inside, stripped wood flooring runs through the hall entrance, with stairs leading to the first floor and useful storage below. The first door on your left is the sitting room - bay fronted and with a wood flooring under foot. This is a great sized room with high ceilings, leading into an open plan dining area which enjoys a view over the rear garden. The breakfast room also leads off the hall, with a built-in cupboard and space for a table. A window faces to side, and an opening leads to the fully fitted kitchen. With wall and base level nits, the square edge work-surface is plentiful, with an inset sink unit and cooking appliances. A door leads to the rear garden. The first floor landing is split level, with doors to the three bedrooms - all with a range of built-in storage. An en suite cloakroom can be found to one bedroom, and the modernised bathroom offers storage and a shower over the bath.

THE GREAT OUTDOORS

The rear garden is low maintenance with a range of paved seating and a variety of planting. Access leads to the rear and to the garage, with an up and over door to front, power and lighting.
