FISH POND FARM

One of the most desirable new development schemes available in the area...

Fish Pond Farm is a small scale individual rural development scheme comprising just five unique dwellings, one of which has been sold prior to release, in a superb village edge setting, with three of the properties enjoying far reaching aspects from the field border of the site across the picturesque Dukeries countryside of North Nottinghamshire.

The concept of the scheme is to replicate a fine and substantial period farmhouse and a cluster of traditional buildings in a courtyard grouping, converted to create an exclusive residential enclave. There will in fact be four brand new timber framed homes with striking traditional brick elevations and a substantial L shaped conversion of a range of period brick and pantile buildings, which were in situ when the site was acquired.

The plots are generous in scale particularly when compared to conventional estate planning and three of the units face on to open fields with genuinely spectacular views.

The development offers a captivating fusion of vernacular architecture with the latest standards of thermal insulation, energy efficiency and overall specification, the product of which will be in many ways the 'best of both worlds' boasting reassuringly traditional external appearances with cutting edge interior design.

ADVANTAGE 10 – YEAR STRUCTURAL WARRANTY

Each individual unit will benefit from a 10-year structural warranty.

MILEAGE TO REGIONAL POPULATION CENTRES AND TRANSPORTATION HUBS

EPC RATING

A copy of the EPC will be deposited in due course at <https://www.epcregister.com/searchReport.html>

Ref No: tbc.

The SAP rating will be calculated, commissioned by the developer, to inform the dwelling Emission Rate (DER) and Dwelling Fabric Energy Efficiency (DFEE). These figures then determine the energy assessment of the building and enable the production of the Energy Performance Calculation (EPC).

AGENTS NOTE - CGI IMAGES & AI IMAGES

These images are computer generated for illustrative purposes only in order to give an overall artistic impression of the proposed development. There may be some variations at the sole discretion of the developers in accordance with planning and design criteria.

EARLY RESERVATION

An early reservation will afford buyers the opportunity to choose their own internal finishes with PC sums allocated for kitchens, bathrooms, internal doors and floor finishes.
