IN SUMMARY

With OVER 115ft (stms) of REAR GARDEN, this 1300 Sq. ft (stms) semi-detached FAMILY HOME offers a SMART INTERIOR which has been COMPLETELY RENOVATED in recent years. Located close to LOCAL SCHOOLS and amenities, the property includes an EXTENDED LAYOUT, LANDSCAPED GARDENS, garage and parking. The layout is TRADITIONAL for the area, comprising a 14' BAY FRONTED SITTING ROOM, dining room, W.C, KITCHEN and CONSERVATORY to the ground floor. The INTEGRAL GARAGE offers CONVERSION POTENTIAL (stp). Upstairs, THREE BEDROOMS lead off the landing along with the RE-FITTED FAMILY BATHROOM. The GARDENS include EXTENSIVE PLANTING, patio and lawned area - all taking in the SOUTH SUN.

SETTING THE SCENE

From the road, low level timber picket fencing encloses the block paved driveway, with a brick wall to front and planted front boundary. Ample parking is provided, with access to the main property and garage.

THE GRAND TOUR

The hall entrance is finished with wood flooring, with the stairs rising up, and space provided for coats and shoes. Doors lead off to the reception rooms and kitchen, whilst the W.C is tucked under the stairs with a two piece suite. The bay fronted sitting room is carpeted, finished with a feature fire place and is set under a high ceiling. The next door dining room is a great size, with a feature fire place, wood flooring and double doors opening onto the conservator, offering an extension to the living space and a utility area, all on wood effect flooring. Finished with central heating and uPVC double glazing, the room is an all year round space. The extended kitchen offers ample storage and mainly base level units, with wood effect work surfaces, and integrated cooking appliances. Space is provided for other white goods, with neutral splash back and wood effect flooring completing the finish. Upstairs, three bedrooms lead off the landing, with one including a built-in airing cupboard. The family bathroom has been updated with contrasting tiled splash backs, and a three piece suite with storage under the sink.

THE GREAT OUTDOORS

The rear garden has been pleasantly landscaped, with various planting, central lawn and sunken patio with feature wildlife ponds. A large lawned expanse can be found with planted borders, whilst patio and timber decking offers seating.
