### PROPERTY DESCRIPTION

This modern three bedroom house is in excellent condition, with all the comforts and conveniences needed for contemporary living.

It is fully double glazed, with a large conservatory, spacious main living room, family garden and paved front drive with electric car charging point. It also has a separate garage in a block to the rear, with pedestrian access via a back garden gate.

The property is light and bright throughout, with attention paid to every detail. The downstairs offers a generous amount of living space, with an unusually large reception room, conservatory and separate kitchen in addition to a WC. The kitchen was fully renovated just over a year ago to a high standard and includes a Smeg 5-burner gas hob and discreet off matt white handleless units. The main living room is stylish, with plenty of space for dining, relaxing and entertaining. It has a window and full-length glazed double doors into the conservatory. The tiled conservatory has an easterly aspect, perfect for breakfast in the morning sun. It opens into the family garden which has a lawn with a border and wraparound L-shaped paved patio area.

Upstairs there are three bedrooms and a family bathroom. Both doubles are a good size, and the master bedroom has a bespoke built-in wardrobe and ample space for additional cupboards. The single is perfect for use as a study or nursery. The bathroom is fully tiled, with a contemporary white bath and bathroom suite with walnut-effect trim, and mirrored cabinet. There is access to a boarded loft space.

The property has been exceptionally well-maintained and an appealing turnkey opportunity. From the floor coverings and appliances to the tasteful décor and downlighters, every detail has been considered.
