Description

Built in 1933 on the site of the former Needham's Stores, Electric House is a stunning Art Deco building decorated with Borough arms was built & occupied as an office building occupied by the corporation's electricity department. Arranged over 5 storeys with a former bank at ground floor & basement with self contained offices accessed from Palace Place on the upper floors which also benefits from a lift. It's considered that the property could be suitable for a variety of uses including, restaurant, hotel, leisure, retail or offices (STPC).

Location

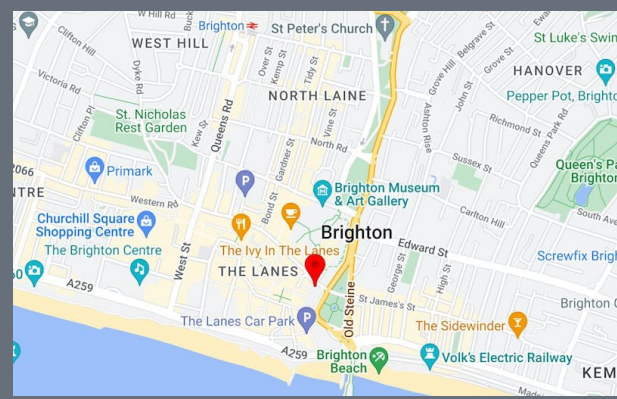

The property is situated in a highly prominent location at the bottom of North Street overlooking The Old Steine. Whilst opposite to the east is St James's Street, Brighton City Centre is to the west where the property has easy access to both the Lanes & The North Laine shopping areas. Nearby occupiers include Sainsbury's Local, Hugo Boss, Hobbs, French Connection, Molton Brown & Pret A Manger.

Terms

Available to let on a new full repairing and insuring lease for a term to be agreed with upward only rent reviews at appropriate intervals. The whole building is available for £500,000 per annum exclusive, whilst our client will alternatively let just the basement & ground floor for £225,000 PAX or the 1st, 2nd & 3rd floors for £275,000 PAX.

Note

Measurements published have been provided by landlord.

Rules on letting this property

Properties can be let if they have an energy rating from A+ to E.

If a property has an energy rating of F or G, the landlord cannot grant a tenancy to new or existing tenants, unless an exemption has been registered.

From 1 April 2023, landlords will not be allowed to continue letting a non-domestic property on an existing lease if that property has an energy rating of F or G.

Energy efficiency rating for this property

This property's current energy rating is D.

Properties are also given a score. The larger the number, the more carbon dioxide (CO2) your property is likely to emit.

How this property compares to others

Properties similar to this one could have ratings:

If newly built 27 | B

If typical of the existing stock 80 | D

Properties are given a rating from A+ (most efficient) to G (least efficient).

Breakdown of this property's energy performance

Main heating fuel	Natural Gas
Building environment	Air Conditioning
Assessment level	3
Building emission rate (kgCO ₂ /m ² per year)	57.86
Primary energy use (kWh/m ² per year)	340

Recommendation report

Guidance on improving the energy performance of this property can be found in the [recommendation report \(/energy-certificate/0020-0284-3040-5400-6003\)](#).

Contacting the assessor and accreditation scheme

This EPC was created by a qualified energy assessor.

If you are unhappy about your property's energy assessment or certificate, you can complain to the assessor directly.

If you are still unhappy after contacting the assessor, you should contact the assessor's accreditation scheme.

Accreditation schemes are appointed by the government to ensure that assessors are qualified to carry out EPC assessments.
