Description: Whoever purchases this property will be very lucky indeed!

The current vendors have completed a whole program of works during their ownership which includes stylish new wood effect uPVC windows and distinctive front door, replaced the boiler with a modern Worcester, green star energy efficient boiler, new shaker style Kitchen with quartz work surfaces, modern, sleek wardrobes in Bedroom 1, new carpets throughout and fabulous bbq to the rear.

In addition to all of this and with future proofing in mind, they also have planning permission to extend into the generous loft space to make a large room of your choice. A luxurious Master Suite? Man Cave? Studio? Cinema Room? Spacious Office? Teenagers Den? The choice is yours.

This warm, welcoming and inviting home dates back to 1889 and is beautifully presented throughout. We expect this property to appeal to a variety of people ie: families for the deceptive and versatile space, second home owners with the low maintenance outdoor space, close proximity to the Railway Station and of course the breath-taking views and down-sizers.

Apart from the views, this property enjoys some features typical of the era such as high ceilings, deep skirtings, traditional doors and some coving and picture rails.

The impressive front door opens into the Hallway which has high, coved ceiling, wonderful, original, Victorian tiled floor and stairs rising to the First Floor. The sunny Lounge has a lovely, walk-in bay window and enjoys views towards Morecambe Bay. Attractive exposed stone fireplace with solid oak surround, recessed wood burning stove and stone hearth. Tow original half height recessed cupboards in the alcoves.

The Dining Room is of generous proportions with large window to the rear aspect, original half recessed cupboard. Attractive stone fireplace with solid oak surround and recessed wood burning stove. Useful under stairs cupboard.

The Kitchen was remodelled less than 12 months ago! Furnished with a most attractive range of white, shaker style wall and base cabinets with brass handles, wonderful quartz work-surface and striking, feature wall tiles with inset deep 'Belfast' sink and 2 side windows. Integrated appliances include 'Bosch' dishwasher and 'NEFF' induction hob, electric oven and extractor. A door leads into the spacious Utility Room with rear window and external door. Wall and base cabinets, stainless steel sink, new 'Worcester' green star boiler and ample space for washing machine, tumble drier, additional freezer and muddy dogs!

The shallow stairs from the Hallway lead to the half landing with stained glass ceiling light. Steps lead around to the Bedrooms and further steps to the Bathroom and WC. There is a useful, separate WC with window. The Bathroom is much larger than average with tiled floor, attractive tiling to dado height and lovely feature tiles to the window seat. The suite is white and comprises 'L' shaped bath with shower over, WC and wash hand basin set into a modern vanity unit. Airing/linen cupboard.

To the rear of the property is a Workshop which has a newly built work bench, power and light. To the front of the Workshop there is a sheltered fitted bbq area with oak worktop and shelf under. Ideal for those sunny evenings! To the front is a charming small garden with artificial grass which enjoys delightful views
