The property is located within the school catchment areas for both the highly regarded Orleton C of E Primary School and Wigmore High School. Beesknees Barn is a quality conversion of an attached Victorian barn completed circa 2005. The barn is constructed of brick elevations under a clay tiled roof and offers spacious and characterful accommodation. The property benefits from a substantial detached brick, timber and clay tiled outbuilding forming a garage and workshop, ample parking space and a generous south-westerly facing garden. The property has double glazing and LPG fired central heating. The property is offered with no upward chain, and with a small amount of updating will create a truly exceptional home.
