## Description

This 700 sq ft Class E commercial space on the lower ground floor of a unique late Victorian warehouse is directly opposite London Fields station. This handsome brick building has been sympathetically refurbished to a very high standard by Use Architects to provide a mix of commercial and residential units. The space features a large skylight to create a bright working environment.

## Location

The warehouse is located in an ideal spot between London Fields and Mare Street amidst a thriving neighbourhood where co-working spaces and small businesses sit alongside new residential developments. It is a perfect example of an inner London micro-community with excellent transport links, green spaces and numerous amenities. The location is popular with artisans and entrepreneurs as well as being a leisure and entertainment destination.

London Fields station offers fast journeys to the City (9 minutes) which is also just a 20 minute cycle ride away.
