## Location

Bethnal Green's has got that rough 'n' ready East End flavour. Brush shoulders with the old-school embedded East Enders, Bangladeshi families and recently arriving young professionals.

There's plenty on offer whether it's strolling around at Columbia Road Flower Market, partying at Bethnal Green Working Men's Club, or eating and drinking at one of the many quality pubs, bars or restaurants the area has to offer.

## Description

Galvanise is a landmark mixed-use development that sets the benchmark for creative and sustainable space in Bethnal Green. Designed by architects Carmody Groarke, the building will provide 18,225 square feet of exceptional column-free, flexible workspace split over five upper floors.

The building also features 2,000 square feet of retail that has been designed to activate the ground floor and work in harmony with its surroundings.

Galvanise is respectfully restoring its inherited architectural features that gives the building its own distinct personality.
