469 Bethnal Green Road  
Bethnal Green E2

**Description**

Galvanise is a landmark mixed-use development that sets the benchmark for creative and sustainable space in Bethnal Green. Designed by architects Carmody Groarke, the building will provide 18,225 square feet of exceptional column-free, flexible workspace split over five upper floors.

The building also features a ground floor cafe BRIQ which will shortly open offering all day food and beverages.

Galvanise is respectfully restoring its inherited architectural features that gives the building its own distinct personality.

## Galvanise

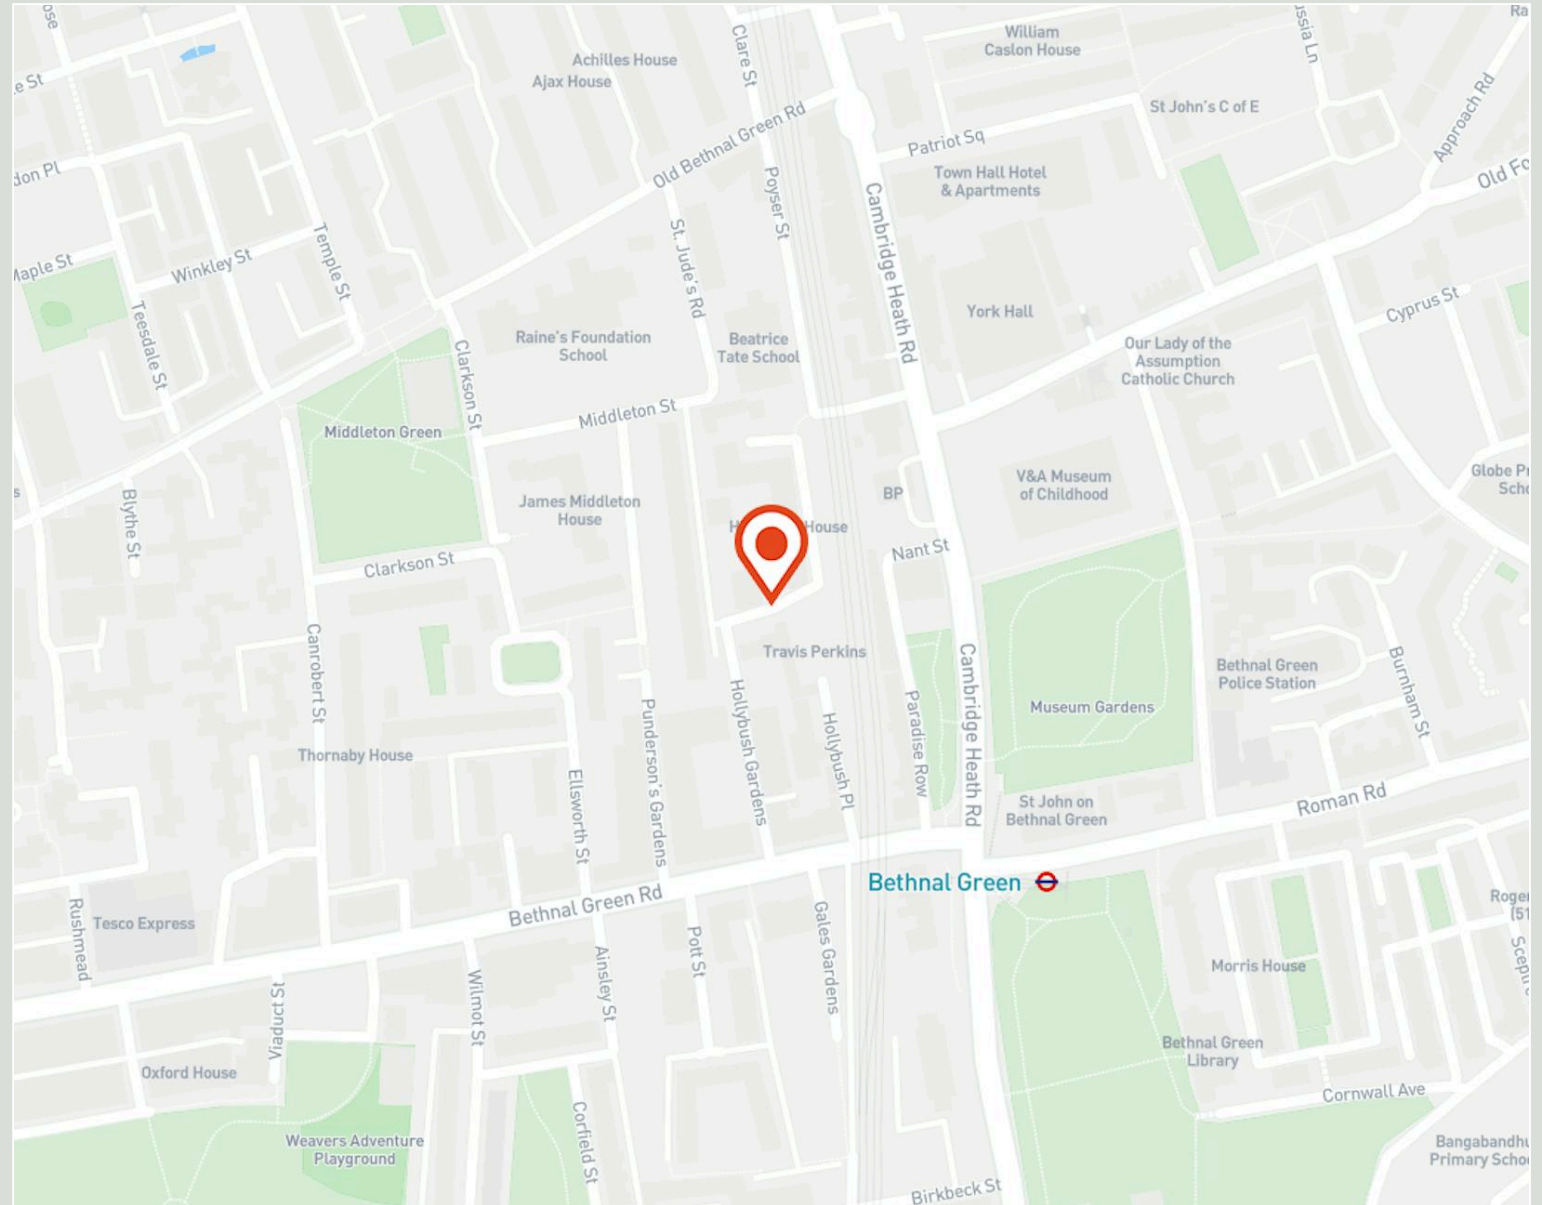

469 Bethnal Green Road  
Bethnal Green E2

*Location*

Bethnal Green has that rough 'n' ready East End vibe. There's plenty on offer whether it's strolling around Columbia Road flower market, partying at Bethnal Green Working Men's Club, or eating and drinking at one of the many quality pubs, bars or restaurants the area has to offer.

Positioned just one minutes walk from Bethnal Green underground station, providing a travel time of just 2 mins to Liverpool Street.

Galvanise is the perfect property for fashion, design and media businesses.
