Location

The property is located on the west side of Farringdon Road, close to the junction with Clerkenwell Road, a stone's throw from Farringdon Station. The Station offers a multitude of connections. It is one of four interchanges in London where National Rail links can be accessed via Thameslink and four London Underground services which converge here: Metropolitan, Circle, Hammersmith & City and the Elizabeth line. The Elizabeth Line has further strengthened the transport communications in the area, making Farringdon one of the best connected hubs in London.
