Internally, a useful utility/porch allows for coat and shoe storage, with the KITCHEN and DINING ROOM open plan and filled with excellent natural light via two windows. The inner hall provides access to the TWO DOUBLE BEDROOMS, including the principal bedroom with a BUILT-IN WARDROBE, along with the MODERNISED FAMILY BATHROOM with striking tiled splash backs and a SHOWER over the bath. The 18' SITTING ROOM is big enough for a table or desk, with a FEATURE CAST IRON WOOD BURNER and FRENCH DOORS onto the rear garden.

SETTING THE SCENE

Set back from the road behind a mature hedge, the front garden is laid to grass, with a green and leafy feel. A hard standing and shingle driveway offers

ample tandem parking, with gated access providing a secure access to the main front door, further parking and garage.

THE GRAND TOUR

Heading inside, the utility/porch entrance is an ideal space for coats and shoes, whilst a range of storage is built-in, along with space for a washing machine. A door takes you into the open plan kitchen/dining room, which is a great size, with ample storage cupboards. An inset electric ceramic hob and built-in electric oven are included, with a dishwasher also built-in. Tiled effect flooring runs under foot, with twin uPVC double glazed windows offering good natural light. There is space for a table or breakfast bar to suit. The inner hallway leads off, with a large built-in storage cupboard and loft access hatch above with a pull down ladder. Wood flooring runs under foot, with doors to the two bedrooms, bathroom and sitting room. The family bathroom offers a three piece suite, with striking tiling to all walls, along with a shower over the bath. Twin heated towel rails are installed for ease, with a window facing to side. The second bedroom is a double in size, with fitted carpet. The principal bedroom is a similar style, but includes a full width wardrobe to one wall. The sitting room completes the property, with a warm and cosy feel centred on the cast iron wood burner, with wood flooring and uPVC double glazed windows to rear, adjacent to full height windows.
