This spacious 2 bedroom terraced house is ready for its new owners to come and put their own stamp on it. The property features multiple reception rooms, huge rear gardens and has lots of potential. Ideally located close to local schools, shops and parks this property would make an ideal first property or a great investment.

Entry is via the front door into the first reception room, this room benefits from a coal fireplace and high ceilings. Through a doorway you go into the second reception room which has been extended, this room is currently used as another lounge but could be an open plan dining/lounge room. This room has direct access to the rear gardens.

Beyond this room you step down into the kitchen, the kitchen does need refurbishing.

The first floor consists of generous bedrooms and a bathroom. The bathroom is generous and currently has a bath, sink and WC.

Both bedrooms are double rooms and have electric heaters. Bedroom two has an additional storage cupboard which also provides loft access.

The rear gardens are a good size, there are two storage rooms built onto the house (original coal storage), the gardens do need some work but have a lot of potential.

Tenure: Freehold (purchasers are advised to satisfy themselves as to the tenure via their legal representative).

Services: Mains water, drainage, electricity and gas are believed to be connected to the property but purchasers are advised to satisfy themselves as to their suitability.
