21 Lichfield Road

Baffins, Portsmouth

Refurbished to a high standard, this lovely three bedroom Baffins home is located in Lichfield Road which is close to Baffins Pond and it's surrounding parks and open spaces. Good schools are also within walking distance and Tangier Road provides an abundance of independent and convenience shops. The Eastern Road is easily accessible as is the M27.

You'll find a bright hallway with a return staircase leading upstairs together with a useful under stairs cupboard. From here, you'll see the Lounge with it's large west facing window. This is a nice place to spend time in and like the entire house, has been beautifully decorated in neutral colour schemes with new carpets and flooring. Next comes the Dining Room which has access through to the kitchen. A good size and shape we think the Kitchen has been well designed and executed with plenty of worktop space and storage. There is a door leading directly in to the garden from here and in time, we think the addition of a conservatory or extension could really give this home that extra dimension?

Upstairs you'll find a good size landing with two double size rooms, a smaller third single bedroom and a bathroom, all of which are modern with neutral colours used throughout.

Outside the east facing garden is a nice place to spend time relaxing in a lawn and fence and wall boundaries on either side.

All in all we think this ready to move in to home would make a great purchase and with no forward chain we would recommend a viewing.
