Located at the END of THE DRIVE, the property offers POTENTIAL to UPDATE and MODERNISE, capitalising on the LARGE WINDOWS and BRIGHT INTERIOR. Whilst there is CLEAR POTENTIAL to EXTEND (stms), the property offers a WELL FORMED LAYOUT which is centred around an L-SHAPE HALL ENTRANCE. Three bedrooms can be found to the front, with a SPACIOUS SHOWER ROOM, 15' KITCHEN/BREAKFAST ROOM, and OPEN PLAN sitting/dining room with its FEATURE CORNER WINDOW. The GARAGE forms part of the main building along with a boiler cupboard. The GARDENS wrap around the sides and rear, with a HOST of PLANTING and SHRUBBERY, along with storage.

SETTING THE SCENE

Following The Drive to the very end, a low level fence with brick pillars leads to the open driveway. With an abundance of planting and a sweeping lawn, the

property sits back, enjoying a central position within its plot. The driveway is laid to shingle and leads to the integral garage and front door. There is potential for further parking to be created if needed.

THE GRAND TOUR

A double glazed entrance door leads you into the L-shaped hall entrance. With fitted carpet under foot, the first doors you arrive at take you to the bedrooms. The first on your right is the principal bedroom which is finished with a range of built-in wardrobes, and a window to front. Next door, the third bedroom offers a side facing view, and has been used as a study most recently. Opposite, the second bedroom also offers a front facing view, with further built-in storage. The shower room is also next door, once being a bathroom, but now finished with a large double shower cubicle, storage under the sink and a tiled splash backs. The dining room and sitting room are open plan, with the dining room leading off the hall entrance. With fitted carpet and exposed brick, a hint of the bungalows age is apparent, with large windows framing the garden views. The sitting room is centred on the fire place, but the showstopper is the feature corner uPVC double glazed window which truly opens up the property into the garden. Lastly, the kitchen completes the property, with a fairly extensive range of storage units, an inset electric ceramic hob and built-in eye level electric double oven. There is space for general white goods, and a door to side where the exterior boiler cupboard can be found - housing the oil fired central heating boiler.
