The accommodation needs redecoration, but offers two good sized double bedrooms, a living room with gas fire, kitchen and a white suite bathroom with shower attachment and screen over the bath, plus plumbing and power for a washing machine. There is gas central heating via a 2022 installed Worcester boiler and double glazing throughout, plus a brand new extractor system drawing moisture out of the air from the bathroom & continuously from landing.

There's also a pull-down ladder to access a massive loft space, which is boarded, has light, power & radiators (currently disconnected) giving potential to create a further large bedroom (STPP).

Outside: To the front is a handy covered area for recycling, just across the footpath is recently created low maintenance level garden (8m x 2.6m) which has a gate to enclose, modern fencing surrounding and areas of decking and artificial grass. Just behind the garden is an outside store, perfect for bikes.

This property would really suit a first time buyer, buy to let investor (recently achieving £725pcm, but would be £750pcm following improvements internally) or a downsizer, with the 2nd double bedroom easily taking two single beds and bedroom furniture.

Agent note: This property is owned by a relation of a member of Helmores staff.

For those commuting it has hassle free transport links into Exeter and for schooling a prestigious community college (Queen Elizabeth’s) – with an Ofsted “outstanding” sixth form.
