

# FINCH CLOSE

A FANTASTIC DEVELOPMENT OF NINE NEW HOMES  
BUILT WITH THE FUTURE IN MIND

# FINCH CLOSE, WATFORD

Finch Close is a development of just nine brand new, contemporary, 4-bedroom town houses within walking distance of Garston station providing excellent connections for commuters.

Each home offers generous room sizes, three double bedrooms plus a single, with the top floor boasting a master bedroom with en-suite and plenty of storage space.

What makes these homes unique and ready for the future is the air source heat pump which provides the property with warmth and heat which is approximately four times more efficient than boilers and minimise the carbon footprint by around 70%. Each home also comes with 2 parking spaces equipped with electric car charging points.

## SUPER EFFICIENT

503%\* efficiency at a 35 degree flow temperature puts this range in a class of it's own!

\*MHC-V8

## ONBOARD INTERNET

Internet connectivity allows you to monitor the heat pump and system from anywhere in the world. Never come back to a cold home again!

## SO, SO QUIET

Engineered to be louder than 35db(A) at 3m, the M Thermal range should never bother the neighbours.

## R32 REFRIGERANT

With global warming potential of 657 (two-thirds less than R410a), R32 is much better for the environment.

# THE MEADOWS

Downstairs the homes benefit from an entrance hallway, cloakroom, living/family room to the front of the house and an open plan kitchen/dining room to the rear of the property, flooded with natural sunlight from the patio doors leading on to the garden.

On the first floor there are two good sized bedrooms, a study, and a family bathroom with the back bedroom and study providing a particularly peaceful view over a field to the rear. The family bathroom and en suite are tiled with Porcelanosa wall and floor tiles and feature Mira sanitaryware. On the second floor there is a spacious master bedroom with en-suite and ample storage space.
