### Location & directions:

Wasdale is the most spectacular and unspoilt corner of the Lake District. The valley, with Wastwater at its heart, is hemmed in by rugged mountains, culminating at Wasdale Head with Pillar, Great Gable, Scafell and Scafell Pike arranged in a ring at the end of the valley. There are plenty of things to do in the area with Muncaster Castle and the Ravenglass and Eskdale Railway both just a short drive away. There are two good pubs in Nether Wasdale, and the famous Wasdale Head Inn is four miles away. The nearest shops are in Gosforth, which is a ten minute drive. The entire Lake District is accessible for day trips, and the beaches of the west Cumbrian coast are little more than a quarter of an hour by car.
