Entering the apartment, the spacious entrance hall has a built in cupboard with hanging and shelving and a further cupboard with shelving housing the hot water cylinder. Doors lead off to the principal rooms.

The lounge/diner has the entry intercom receiver mounted on the wall and enjoys a box bay window overlooking the rear. An arch opens through to the kitchen, fitted with a range of wood base and wall units with under cupboard lighting, worktop and tiled splash back. There is a communal storage cupboard on the third floor. Each floor has a refuse chute. The easiest access from the front is via the middle communal door as it enters next to the lift with no steps.

At the rear there is a secure gated underground car park where there is an allocated parking space (number 5), where there are car wash facilities and electric. There is a gate with a key code which allows access on to the back beach with chained area for the use of Morgans Quay.
