GENERAL INFORMATION

Consent to build a stunning four-bedroom 'Grand Design' residence...

Access to the property will be with rights granted by the Sellers across a retained threshold entrance from Lower Kirklington Road (see accompanying site plan) with a newly formed private drive to the east of Pear Tree Cottage.

The new house is of a carefully considered L-shaped design, positioned in the north-eastern corner of the plot with a pleasing south and westerly aspect from the main house across the gardens.

The floorplans accompanying these sale particulars illustrate the exciting architectural design and free flowing internal plan radiating from an impressive central hall and landing gallery, leading to a wonderful open plan kitchen/living/dining area, a formal lounge, playroom or home office, cloakroom and utility complemented on the first floor by a stunning principal bedroom suite comprising a main bedroom area opening on to a private balcony terrace, walk through dressing area and luxurious en-suite together with three further bedrooms, one of which has an en-suite shower room and a house bathroom. The vehicle court will provide ample car standing space and access to a double garage.
