LOCATION

The property is located on the north side of the A17, north--east of Holbeach, being therefore extremely well located for access to road networks.

DESCRIPTION

The property comprises a modernised office and light industrial unit with secure yard area, until recently used as an electrical contractor’s yard and premises.

The original building is of brick and block construction under an insulated pitched metal profile roof on substantial timber roof trusses. It has UPVC windows and doors and a roller shutter door to the west, and double steel door to the south. This building has been divided internally, between office accommodation and workshop and stores with approximately 3.5m eaves.

A further warehouse was added in 2018/2019, being of portal steel frame construction with insulated pitched metal profile walls and roof, with clear eaves of approximately 3.5 metres. This warehouse has three electrically operated roller shutter doors, each 2.9m wide x 2.9m high.

All areas have LED lighting, and office areas have an Air source Heat pump central heating system, and air conditioning to most areas.

There is gravelled parking to the side of the offices, and another secure gravelled yard with double steel access gates to the south of the new warehouse. Palisade fencing surrounds the site.

Gross Internal Building Areas:

Ground Floor Offices and Ancillary areas	1,822 sq.ft	169.2m ²
Stores and Warehouse	5,628 sq.ft	522.9m ²
First Floor Office	310 sq.ft	28.7m ²
Total	7,760 sq.ft	720.8m ²

The total site area extends to approximately 2,538m² (0.63 acres)
