Forming part of a small private development of just four dwellings, this beautifully presented four bedroom detached house is perfectly situated for local amenities and bus routes. Its tucked away position provides a good degree of privacy and brings an additional sense of seclusion.

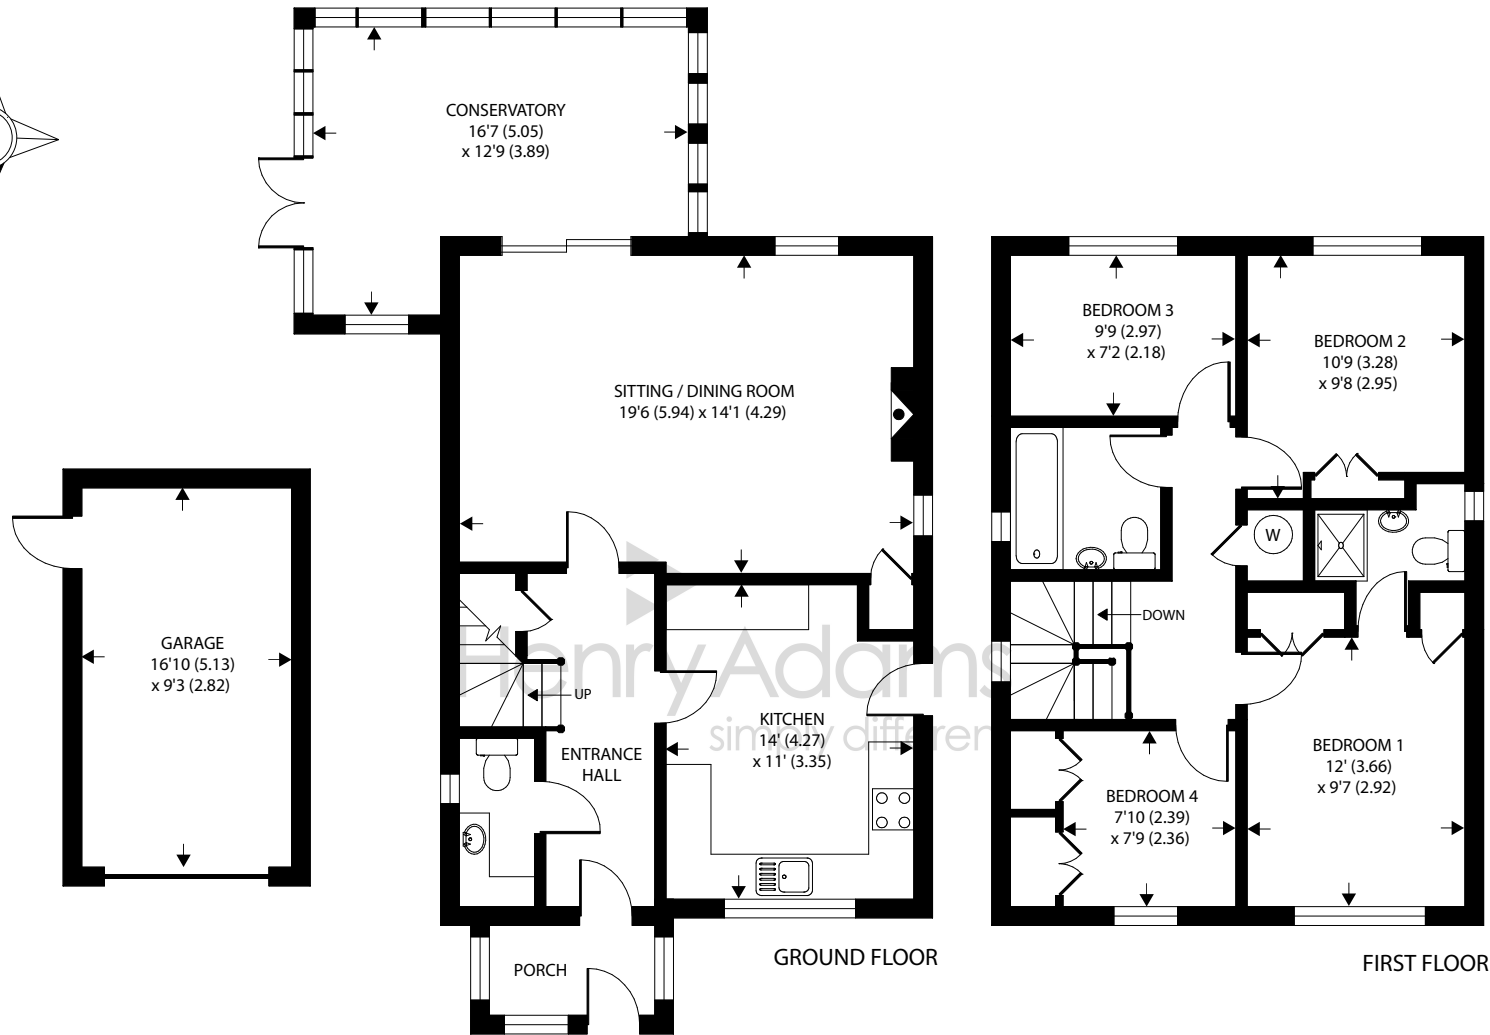

Internally, the accommodation is well designed and includes: a good size sitting/dining room which opens into the conservatory. The conservatory overlooks the pretty garden and has a vaulted ceiling which creates a real sense of space. The modern kitchen/breakfast room is fitted with a range of cream cabinetry and includes a dishwasher and washing machine. There is also space for an 'American' style fridge/freezer and a range style cooker. A cloakroom is located off of the inner hallway along with an under stairs storage cupboard. From the hall, stairs rise to the first floor where all four bedrooms will be found. The principal bedroom has an en-suite shower room and fitted wardrobes and bedrooms two and four also benefit from fitted wardrobes. A family bathroom completes the internal accommodation.

Outside, a driveway provides off-road parking and leads to the garage, which has power and light. In keeping with the rest of the property, the southerly facing garden is immaculate and has many little spots in which to sit to follow the sun throughout the seasons. The garden is planted with a variety of pretty plants and shrubs and is not overlooked by any of its neighbouring properties.
