Newlyn is a unique coastal home located on the desirable 'Beach Estate' in Felpham and is offered for sale with the advantage of no onward chain. Originally built in the 1930's as the chauffeur's accommodation and garaging for a neighbouring residence, the property offers unconventional accommodation and would make an ideal weekend retreat or investment property.

The property measures 1,092 sqft with accommodation arranged over two floors. The first floor is accessed by the covered stairs which rise from the driveway to the front door. Once inside, there is a kitchen, sitting room, large south-facing balcony and a spacious double bedroom with hand basin and shower cubicle. Originally this was arranged as two separate bedrooms and could be reinstated as such, if more accommodation was required. A separate WC completes the first floor. The ground floor has generous garaging for beach toys or that weekend sports car, with an extension across the rear creating a self-contained annexe room with a separate utility area and shower room/WC. The property offers huge potential for adaptation if desired, converting the garaging would create additional bedroom or living space subject to the usual permissions.

The property currently has electric heating although we are informed that there is a gas supply in the road if required. We understand that the loft space has recently been fully insulated.
