Description

On the market for the first time in several generations is a rarely available block of woodland and farmland situated to the northeast of Naphill in Buckinghamshire. Extending to approximately 82.12 acres (33.23 hectares) in total, the land offers an exciting opportunity to own an ancient deciduous woodland (extending to 53.81 acres) together with a block of permanent pasture and arable land (extending to 28.31 acres). This picturesque piece of rural Buckinghamshire lies within easy reach of the neighbouring towns of High Wycombe and Aylesbury. London is also easily accessible from the M40 Motorway which is located nearby. The land offers possibilities for carbon capture or Biodiversity Net Gain offsetting.

Situation

The land is located approximately 4.7 miles to the north-northwest of High Wycombe and 11.6 miles to the south of Aylesbury. A location plan may be found at the end of these sales particulars.
